**\*Place** these **FORMS** and **PAYMENT** in envelope provided: **\$15.00**/night for families; **\$10.00**/night for individuals.

**Read** these guidelines as well as those of the Army Corps of Engineers (ACE) posted on the message board near the bathrooms. Notices, activities, etc. will be posted on our whiteboard here, as well.

**Speed limit is 5 mph!!!** No bicycling after **dusk**.

**Campfires** must be built in fire rings only, and must be monitored. Use your own firewood or dead wood. Do not damage any live trees. **No Smoking anywhere.**

**Quiet hours: 10pm - 6am**; voices travel- please be considerate of others.

**Music**: Use earbuds/headphones with music devices (singing and playing instruments is permitted).

**Bathrooms**: Men's and women's rooms have 1 shower, 2 sinks, and several toilets. Cleaning items available as needed beyond ACE maintenance. **Do not deposit your trash in the bathrooms. Do not wash your dishes in the sinks - do them at your campsite.**

**The water spigot near the bathrooms** provides drinking water and water for you to take back to your campsite to do your dishes, etc.

**Trash**: All trash/garbage must be taken with you out of the campground. **Lock up all food and trash** in your vehicle every night so we don't attract wildlife into the camping area.

**Waterfront/Hikes**: Anyone under the age of 18 **must** be accompanied by an adult 21 or older, and the "buddy system" is always recommended for all ages. **No river visits/hikes after dusk.** Bring water shoes or old sneakers for slippery river rocks.

**Pets**: Not allowed at swimming area and must be leashed/tied at all times. Clean up thoroughly after your pet right away, and keep barking at a minimum.

As in the past, modesty for all campers is **expected**.

These guidelines have given us freedom and peace for the last 40 years. Let the Holy Spirit influence you! ***Bless, and be blessed!*** Glorify our wonderful Lord!
