

Prayer Walk New England

Prayer Guide

5/31/2025

*How to Start: choose a street or path and start walking. Ask the Lord to help you see what He sees: how does He see what and who is around you? Ask Him to give you His love and compassion for the people you see. Then, start lifting places, people and burdens up as you see them. You can pray through the Lord's prayer, and add in ideas from the **categories** section. Feel free to follow the prayer guide from start to finish, or to pray as you feel led.
