# Meeting Jesus in the Gospels

## A Flexible Reading Plan

THIS PLAN INVITES YOU TO ENGAGE WITH SCRIPTURE IN TWO  
WAYS: READING **FAST** AND READING **SLOW**.

**Reading Fast:** The goal of reading fast is to take in the “big picture” of a biblical book so that you can see how it unfolds from beginning to end.

**A Method for Reading Fast:** Choose a translation that’s easy to read | Read the entire biblical book, out loud, in one sitting (or in as few sittings as possible). | Feel free to **write down** questions as they arise but set them aside for later.

**Reading Slow:** The goal of reading slow is to be with God and to allow the Holy Spirit to use the text to form you into the image and likeness of Jesus.

**A Method for Reading Slow:** **Quiet Yourself:** Seek out a quiet place where you will be free from distraction. Be still for at least two minutes. Focus your mind and affections on God. Ask the Holy Spirit to open you up so you can receive from God. | **Read the Bible:** Read the passage, slowly, 2 or 3 times. Make note of anything that puzzles or confuses you. What does this passage clearly reveal about God? What does this passage clearly reveal about me/people? | **Meditate:** “Talk to yourself about God in the presence of God.” -Tim Keller. What is God revealing to your heart today? Why do you think God might be showing you this truth today? What is God asking you to do today? | **Respond** with Adoration, Confession, Thanksgiving and Petitions.
