MESSAGE | The Passover

SCRIPTURE | Exodus 12:1-13:16

DISCUSSION QUESTIONS

1. **Read Exodus 12:1–13, 21–30, and 50–51**. What stands out to you? What questions do these verses raise?
2. The final plague brings death to Egypt's firstborn. How do we make sense of this judgment in light of what Jesus reveals about God's character?
3. God commands Israel to remember their deliverance every year. How does remembering shape our identity? What practices help us remember who God is, what He has done, and who we are because of Him?
4. Passover wasn't just about escaping Egypt. It was about becoming God's people. What attitudes, values, or habits of our culture do we need to leave behind in order to live as God's people? How can we help one another do that?
5. God rescued Israel before giving them the Law. Grace came before obedience. How might this pattern reshape the way we relate to others, especially those who don't yet share our faith or values?
