COLLEGE CHURCH

# WELCOME

## TAKE HOME

**DATE** | Sunday, November 8, 2026

**MESSAGE** | The Exodus

**SCRIPTURE** | Exodus 12:31-42, 13:1-15:21

### DISCUSSION QUESTIONS

1. **Read Exodus 14:10-16, 26-31; 15:1-2**. What stands out to you? What questions do these verses raise? How does Israel's understanding of God change over the course of these events?
2. God led Israel on a route that made no sense to them. Where in your life are you struggling to understand what God is doing—or why? What might it look like to trust Him and follow His lead, even when you're confused?
3. Fear made slavery seem safer than freedom. What familiar habits, securities, or ways of thinking do you find yourself clinging to, even though they keep you from becoming the person God is calling you to be? What would it look like to step toward freedom?
4. What can we learn from the oppressed about who God is and what it means to walk by faith?
5. God didn't just bring Israel out of Egypt; He brought them to Himself (Exodus 19:4–6), to become a people who reflect his character. In what ways is College Church currently doing that? What is one way we could reflect God's character to the wider world more fully?
